Dear parents,

We as teachers have multiple roles to play: a facilitator, a mentor, a guardian, a friend and indeed a confidante – something which is otherwise reserved for parents. A teacher's duty goes far beyond the scope of the classroom, from offering the gentle balance of discipline, to nurture the students and at the same time encourage each child to push their limits and touch new milestones.

The structure and formation of DAV Public Schools is rooted in traditional values and fundamental ethics. We provide the students congenial environment to grow ensuring at every step that they are surrounded with values of life. This shall help them in becoming responsible individuals and impactful citizens of our nation. Just as a parent would inculcate the values of respect, honesty, friendship so does the school and its teachers.

We the teachers of DAV Public School Patelnagar, ensure that your child's future grows and prospers in the right direction as we believe in "striving for progress and not for perfection."

Thank you for your unconditional support.

Regards,

All teaching staff,

DAV Public School Patelnagar
